Objective

Aspiring web developer with hands-on experience in building responsive and user-centric websites. Seeking to contribute my skills in front-end development to innovative projects at (<the name of the company />) while growing in a collaborative and challenging environment.

Experience

Junior Front-End Developer (Intern)

Uncommon, Harare

August 2024 – Present

- Assisted in the development and maintenance of client websites, ensuring high-quality and timely delivery.
- Collaborated closely with senior developers to implement responsive designs, enhancing user experience across devices.
- Actively participated in code reviews and debugging sessions, contributing to improved code quality and performance.

Freelance Web Developer

Self-Employed

- Designed and developed various personal and client projects, reinforcing core web development skills.
- Built responsive and accessible websites using HTML, CSS, and JavaScript, focusing on modern design principles.
- Gained foundational experience with React.js and Next.js, applying them to dynamic web applications.

Education

Certificate in Web Development, UI/UX Design, and Digital Marketing

Uncommon.org, Harare

- Comprehensive training in web development with a focus on front-end technologies and user experience design.

Projects

Personal Portfolio Website

- Developed a fully responsive and modern portfolio website using HTML, CSS, and JavaScript, React js and Next js showcasing web development projects and skills.
- Implemented best practices in responsive design and web performance optimization.

Skills

- Front-End Technologies: HTML5, CSS3, JavaScript (ES6+), Bootstrap, Flexbox
- JavaScript Frameworks: React.js (Beginner), Next.js (Beginner)
- Version Control: Git, GitHub
- Design: Responsive Design, UI/UX Fundamentals
- Soft Skills: Problem-solving, Team Collaboration, Attention to Detail

Languages

- English: Fluent
- Spanish: Conversational
